

Remarks/Arguments:

This is a response to the *Ex Parte Quayle* action of August 29. The examiner required that all features claimed be illustrated. In response, we have amended Figure 4 to show as element 19 the flight director system. The specification has been amended by adding reference 19 at page 10, line 9. As Fig. 6 indicates, the self checking means is part of the receiver 24 (which is illustrated in Fig. 4).

Respectfully submitted,

/Charles Fallow/
